Fred C. Beyer High School is one of seven comprehensive high schools in the Modesto City School system that serves approximately 30,000 students, grades K-12. Built in 1972, Beyer is located in the heart of the San Joaquin Valley in central California in the northeast section of Modesto. Our current enrollment is 1,657 students in grades 9-12. 5% of our students are English Learners, 52% qualify for free/reduced lunch and 71% of our total enrollment is comprised of first generation students. 358 students graduated in the class of 2018.

Upon entrance to the city, an arch greets visitors proclaiming Modesto as a city of "Water, Wealth, Contentment, and Health". The adage holds true considering that our population is currently over 200,000 people, more than double that of fifteen years ago. Agribusiness infiltrates many aspects of employment here. Service, retail, financial, insurance, light industry and real estate sectors are also firmly established in the community. With the San Francisco Bay area ninety miles to the west, many commuters have established residence in Modesto. We enjoy a diverse population rich in family traditions and multicultural lifestyles.

Grading System and Scheduling

Beyer operates on a seven period (49 minutes) day, with one lunch, period 5. Students may opt for a zero period class from offerings including CP government, Health, and leadership classes. The grading system for all classes is based on a five-step scale: A-Outstanding, B-Above Average, C-Average, D-Below Average, and F-Failing. Grades are determined by student achievement relative to the objectives of the designated instructional level and the teacher.

Class Rank

Senior unweighted class rank is determined by the **cumulative unweighted GPA** that is based on grades 9-11, and all classes including P.E. Weighted class rank is determined by the **weighted GPA** that is based on grades 9-11, and all classes including P.E., with an extra point for honors and AP courses in which the student earned grades of A, B, or C. Beginning 2018-2019 school year, our students are ranked by decile. Students in special education and placement at alternative education sites are not ranked. **CAL Grant GPA** on the transcript refers to the **college GPA** for grades 10 and 11. *Students who choose to participate in non-honors elective courses such as Band, Leadership, Speech, Athletics, etc., may show a slightly lower weighted GPA and class rank than students who opt to not to take those courses. We are extremely proud of the talent and rigor in our elective programs and hope that universities will look beyond the ranking number to recognize the extraordinary effort our top students make to participate in those courses.*
