

AP Test Cell Phone Guidelines

Please read this important information regarding cellular phone guidelines:

Cell phones are not permitted in the testing rooms under any circumstances. If you arrive at testing, you understand that you must either leave your cell phone in your vehicle or you will surrender it to the testing coordinator. If you surrender your phone to the testing coordinator, it is voluntary and while Modesto City Schools will do their best to ensure the return of personal property, we will not be held responsible for any missing or damaged personal property.

Read the Bulletin for AP Students and Parents for a full list of items not allowed in the exam room. (page 5)

I have read and acknowledge the above information.
