Dear Parent/Guardian of a Beyer Senior:

As the second semester of this year begins, the goal of graduation becomes significantly more focused for both students and parents. This can be the most positive and exciting time of a student's high school career. Many memorable activities, including the graduation ceremony will take place. To qualify for graduation and participation in the ceremony, a senior must have successfully completed a minimum of 230 credits and completed district-adopted course requirements.

In addition to the academic requirements, a senior must comply with the district's expectations of behavior and attendance to qualify for the graduation ceremony and senior activities. It is very important that seniors maintain good citizenship during the third and fourth quarters. The Student Conduct Code is clear regarding expectations of behavior and attendance.

On pages 52 & 53 is a very helpful chart outlining expectations, consequences, etc. <div style="text-align: center;">  </div>

***REMINDER:** Board policy states a teacher will issue an unsatisfactory citizenship mark if a student has 3 or more unexcused period absences or 5 or more unexcused tardies in any quarter.

It is our goal and hope that your 12th grade student will be eligible for all senior activities, including the graduation ceremony. In order to achieve this goal, we need your cooperation and that of your student. The administrative staff at Beyer will discuss these expectations and consequences with the seniors in their economics classes. We ask that you take a few moments to discuss this letter with your student. If you have any questions regarding these expectations, please refer to 2018-19 Modesto City Schools Student Conduct Code pages 47-53, or contact the Student Supervision Office at 574-1656.

Sincerely,

Dan Park
Principal
