

1. As a student, you **MUST** complete the ISTA (Internet Safety Agreement) for continued internet access. Please visit <http://ista.mcs4kids.com> and complete the agreement. The agreement includes watching a 10-minute video and taking a mini-quiz at the end. Fortunately, you can complete the ISTA on any device that has internet access (such as a smart phone, tablet, home computer, your new student device, any school computer, etc).
2. It is expected that you will review the technology video resources so that you are well prepared for the first day of school (8/13/18). The videos are located on the district website (www.mcs4kids.com). Click on “District,” then “Future Ready”, then “Video Resources” on the left hand side.

The screenshot shows the Modesto City Schools website. At the top, there is a navigation bar with tabs for District, Students, Parents, Staff, and Community. Below this is a secondary navigation bar with links for About, Board of Education, Directory, Employment, Future Ready, News, and Schools. A blue arrow points from the 'Future Ready' tab to the 'Future Ready Video Resources' page. On the left side of the page, there is a 'MENU' section with links for Future Ready Handbook, ISTA Information, Research Base, and Video Resources. A blue arrow points to the 'Video Resources' link. The main content area is titled 'Future Ready Video Resources' and contains a list of video links: Roundup Information, Roundup Homework Video One- Taking Care of Your Device, Setting Up Your Digital Workflow, and Taking Care of Business- Final Roundup Video. A blue arrow points to the 'Future Ready' tab in the navigation bar.

The videos will go over how to take care of your device, how to login to Schoology and other important applications, create necessary bookmarks, and many other tech tips.

You can also find relevant information under the Future Ready tab, such as the Future Ready Handbook, ISTA information, etc.
