

# Beyer Bulletin

## Thursday, August 30, 2018

### General Announcements

**Club Rush:** Head over to the Breezeway tomorrow for our annual Club Rush! Want to get more connected? Meet new friends? Explore new interests? Hit our Club Rush to find out about all the clubs Beyer has to offer and find your place!

**R.E.S.P.E.C.T.:** This month we will be focusing on the character trait respect. We will be recognizing students who demonstrate respect in their interactions with other students, teachers and staff.

### Senior Info

**Seniors:** Don't delay! These are the final days to order your senior sweatshirt or t-shirt! Place your order in the SBO. Tomorrow, Friday, is the last day we will be taking orders.

### College Info

### Career Center

The Congressional Leadership Fund is looking for Fall Interns. This is a fantastic opportunity for building a resume and learning more about campaigns and politics. See Mrs. White in the Career Center or Mrs. Duran in the D Wing for more information and contact information to apply.

All Students who are working must renew their work permit with Mrs. White in the Career Center. If you have turned in paperwork, pick up your new permit ASAP. If you have not renewed your permit, the summer permit is now expired. See Mrs. White if you have any question.

Foothill Horizons is a great opportunity for Juniors and Seniors for both scholarships and for work experience. An Open House will be held in September. See Mrs. White to see if you qualify to be a counselor and for more information about the camp.

### College Visits

Seniors, are you interested in hearing more about what college has to offer? We have several different colleges visit Beyer at the beginning of the year to share all about their schools. If you plan to attend college, or just want to know more about it, come and check them out. Sign up with Mrs. Duran in the D wing. All visits will be in Patriot Point and if they are during class time, require teacher approval to attend.

Date	Time	College
8/30/18	9:45 AM (3 <sup>rd</sup> period)	UCLA
9/18/18	11:30 AM (lunch)	Fresno Pacific University

**BE SAFE, BE RESPONSIBLE, BE RESPECTFUL, BE SUCCESSFUL.**

## Clubs

**Cyber-Physical Computing Club:** If you would like to explore the inner-workings of robotics programming, build electrical circuitry, use Arduino Boards, work with Raspberry Pie, switches, knobs, temperature and light sensors, LEDs, servos and motors, join Beyer's Cyber-Physical Computing Club. Basic coding knowledge in C or Java is necessary. First meeting is Tuesday September 4, at lunch, in room C-16. We will elect Club Officers and receive material and instruction for our first project at this meeting. Club membership is limited due to limited availability of material and limited number of software licenses. So, if interested, make sure to come!

## Special Announcements
